

PICKLEBALL SEASON II

MRC IS PROUD TO HOST ITS 2ND SEASON OF INDOOR PICKLEBALL. RAINING? SNOWING? NOT AN ISSUE AT MRC.

- ☐ **The fastest growing sport in America**
- ☐ **Played with a paddle and a plastic ball with holes.**
- ☐ **Played as doubles or singles.**

Featuring up to 10 courts there's plenty of room to play at MRC for beginner, intermediate and advanced players. We offer drop-in play and private and group lessons are available.

At MRC you will be playing on a tennis court surface that is preferred by most picklers. Playing on this surface allows us to use many of the outdoor balls like the Onyx Pure 2 and Franklin X-40.

MRC offers high tennis ceilings and lighting that makes the lines and balls much easier to see. If you would like to play, we have several convenient times.

Please use our Sign-Up Genius link on the mrctennis.com website. For more information contact Cindy Sweeney at 908.577.1520

Fee Schedule:

- ☐ **Drop-in session, \$8**
